TUITION UPDATE Please help us “close the book” on our 2021-22 fiscal year by paying all school balances ASAP. If you received a bill with the end of the year mailing please remit that ASAP.

GET THE WORD OUT If you know of someone interested in Christian Education, have them call or email the school office today! Share the CBA experience with others while seating is available. Some classes are already full so do not delay.

TUITION REMINDER The new school year will be here before we know it. On August 1st, the first tuition payment will be due. Tuition is

paid August through May for the 10 month period. You may break your payment up into 12 months, July through June. Payments can be paid by cash, check, or with our FACTS system. FACTS is an easy way to make payments without having to worry if you have made a payment or not. It is not too late to sign up. Invitations were sent out last month to join FACTS. Call the office for more information.

TAX DEDUCTIBLE GIVING When families occasionally contribute a “little extra”, it helps us finance the “true” cost of educating a student, and helps us keep the tuition costs affordable for everyone.

DIGITAL FORMS We continue to do most of our communications digitally. This saves the office a significant amount in ink and paper. Start looking the week of July 18th for new digital forms for the 2022-23 school year. We have digitized a lot of the forms that are updated each year. Now it is a matter of opening a writeable PDF, filling the forms out digitally, and submitting back to the office by email. If some forms do not apply to you just simply tab to the next form. Please be aware that the forms must be filled out on a computer. Please do not use a phone or tablet to fill out these forms due to the forms not being compatible. If you would like to still receive paper copies of these forms, please let the office know and they will be ready for you at Parent Orientation. Please submit the forms back to the school office by the first day of school. If you experience trouble, please let the office know. Thank you for taking the time to help us save money.

Students may bring their supplies and meet their teachers after the meeting in the sanctuary. Each family in attendance will have their name put in a drawing for special gifts. Items include: sleeping bag, air fryer, binoculars, thermos, and much more. Each student in attendance will also receive a gift of either a lanyard or CBA cup.

CBA COURTYARD

CBA would like to expand our facilities to include an outdoor courtyard area for our students, teachers, and parents to enjoy. The courtyard would enhance the beauty to our campus and provide another space for learning, relaxing, and social interaction.

This project will be financed primarily through a **Brick Fundraising Campaign**. Personalized "engraved bricks" will be sold that will be used as part of the flooring in the courtyard area. If you would like to purchase a brick or know of a business that would be interested, please follow the link or pass the link along. Brochures will also be available soon if you do not prefer to order online. We are excited to get this project started in the late spring and hope we have many alumni, businesses, and school families who will leave a small, personal mark on the lives of so many in the future.
