Spiritual Emphasis Week

This year for our spiritual emphasis week, our MS/HS students had three special chapel services to focus on God and His Word. The students are going through the book of Galatians over the course of the fall semester. We were grateful to have some local pastors share from Galatians 1 this week.

Wednesday—Pastor Jered Green (Teays Valley Missionary Baptist)

Thursday—Pastor Peter Ambler (Risen King)

Friday—Pastor Aaron Karr (Calvary Baptist)

Our elementary students watched a special Torchlighter's animated movie Friday about the life's work of William Tyndale in giving us the English translation of the Bible.
