CBA WELCOMES NEW MIDDLE SCHOOL TEACHER

Hello! My name is Tara Flinn. I graduated from WVSU in 2011 with an Elementary Education degree and taught full time for 9 years. I began subbing at Calvary last year when my son began Kindergarten, and it was obvious that this was where I wanted to teach in the future. Now that my daughter will be beginning Kindergarten, I felt it was the perfect opportunity for me. The love of the Lord shines through the school, and I only hope that I can share more about him through my teaching. I have attended Roxalana Gospel Tabernacle my entire life, where I sing in the choir, help teach the K-3 Wednesday night class and work in the nursery. In my free time, I enjoy being with my kids and husband, mountain biking, singing, kayaking, and swimming. I am excited for the new school year with my students.

CBA WELCOMES BACK MRS. BOSLEY

We are excited to have Mrs. Bosley back with us for the upcoming school year! After having to step away for a few months last year, she is able to join us again in the 6th grade. Although you will have to look for her in a different classroom than in previous years. The 6th grade classroom will now be the first classroom on the secondary wing of the building directly across from the school offices.

SEMESTER EXAMS

In an effort to prepare our students for college and careers that require summative testing or exams, all students in grades 6-12 will be required to take semester exams at the end of the semesters.

SEMESTER COMMENDATIONS

In an effort to reward students who have shown excellent behavior and academic performance, students in grades K-12 will be rewarded prior to the end of the semester.

LIBRARY EXPANSION The CBA Library has been moved to the elementary wing of the building. It is now located upstairs with an additional 500 sq ft. of extra room. It was also recently upgraded with custom new bookshelves. **Thank You to those who donated towards the expansion and upgrades of the library.**

Electronic Policy

Our cell phone and electronics policy did not change from last year. However, we do want to emphasize that all cell phones and electronics must be kept in lockers during school hours. Any cell phone/electronics not in a locker will be taken to the school office. This will help limit distractions during the academic school day. I-pads and Chromebooks are available for authorized use during class.

ANNUAL PAPERWORK

Please complete and submit the annual forms that were emailed for your child(ren) for this coming school year. After it has been filled out and signed by both parents it will get sent back to the office. This paperwork will need to be submitted before the first day of school. Please let the office know if you need assistance.

FACTS 2024-2025 SCHOOL YEAR One of the options we provide for our families to pay tuition is our online FACTS program. This allows you to sign up and have your tuition payments automatically pulled from your bank account. If this is something you are interested in using for next year or if you have any questions, please contact the school office. You can register for FACTS by going to this link and setting up your account for the next school year. <https://online.factsmtg.com>

2023-2024 BILLS Bills have been sent out for any outstanding charges for this school year. Contact the school office with any questions you may have regarding charges. These will need to be taken care of before students can return for the next school year.
