### CBA COURTYARD

CBA would like to expand our facilities to include an outdoor courtyard area for our students, teachers, and parents to enjoy. The courtyard would enhance the beauty to our campus and provide another space for learning, relaxing, and social interaction.

This project will be financed primarily through a **Brick Fundraising Campaign**. Personalized "engraved bricks" will be sold that will be used as part of the flooring in the courtyard area. If you would like to purchase a brick or know of a business that would be interested, please follow the link or pass the link along. Brochures will also be available soon if you do not prefer to order online. We are excited to get this project started in the late spring and hope we have many alumni, businesses, and school families who will leave a small, personal mark on the lives of so many in the future.

### LIBRARY NEWS!!

Congratulations to our fourth nine weeks' Fabulous Five winners: Julia McCloy (1<sup>st</sup> grade) and Isaiah Spencer (4<sup>th</sup> grade)! Each student won a \$10.00 gift card to BAM (Books a Million)! These two students, along with several others, met their goal of reading five CBA library books within the nine weeks. How the Fabulous Five works is each week that your student brings home a library book, they will also bring home a yellow slip of paper. If they have read their book (or had their book read to them), simply sign the yellow paper and place it in the card pocket inside the book. Each student that reaches their goal, their name is put in for a drawing for the gift card. Two names will be drawn each quarter. Happy reading over the summer and we will see you in the fall!

### CBA WOULD LIKE TO WELCOME OUR NEWEST STAFF MEMBERS.

Kayla Ball, a CBA graduate, will be the new Office Manager upon Mrs. Rollins' retirement. Mrs. Rollins will be working with Kayla next year training her on all things office and how to spoil her CBA family.

Tessie Henry will be entering into the position of Staff Support.

Please welcome these beautiful ladies to the CBA family.

After graduating from CBA in 2011, Kayla attended Liberty University to study Religion with a focus on Family Ministry. Kayla and Ryan were married

in 2014 and now have two children, Lexi and Lucas. Upon graduating from Liberty University, Kayla went on to work at Mt. Calvary Baptist Church as the Early Childhood Director. Currently, Ryan is working as an IT Engineer at Segra and also serves on the CBA School Board. They are both excited to be back working and serving at CBA, and look forward to their children becoming a part of the CBA family.

I am Tessie Henry, a 2001 Bob Jones University grad with a BS in Elementary Education. I am married to Dr. Kelsey M Henry, D.C., and we have 5 children. I previously taught 3<sup>rd</sup> grade at a Christian school in Ohio for 9 years. This past school year God moved our family to CBA. We have enjoyed getting to know our new school family. God has given me a great burden to be used here at CBA. I've been able to sub in many capacities at CBA and have enjoyed getting to know the students, staff, and parents. I look forward to many years of service to God here at CBA.
