LOOKING AHEAD

Prayer Warrior!

Several days throughout the year, an older gentlemen with a cane in one hand and a sheet of paper in the other will slowly walk the hallways of the school. As he walks, he prays a blessing for the students and the teachers each by name. If you were to sneak up behind him and listen, you would hear name after name after name (over 230 names) for blessings of wisdom and protection for all. This has been his ministry to the school for several years, and we are so grateful. May God answer his prayers for spiritual wisdom, protection, and renewal among all of us at Calvary Baptist Academy! Thank you, Larry.

"The effectual fervent prayer of a righteous man availeth much." - James 5:16b
