CBA WELCOMES NEW HIGH SCHOOL TEACHER

Caleb Turner is a 2014 graduate of CBA and will be joining us this year as the part-time High School Social Studies teacher. Caleb attended CBA from Kindergarten through 12th grade and is looking forward to starting this new opportunity. After finishing at Calvary, he went to the University of Charleston and graduated with a degree in History and Political Science. This past June, Caleb got married to his wife, Courtney. Along with joining us on staff this year, Caleb is also the owner of Goin' Postal here in Teays Valley, and he attends Good Shepherd Baptist Church. We are very excited to have him back here at CBA, where he will be a wonderful addition to our staff!

CBA TEACHERS ARE CONSTANT LEARNERS!!!

Over the course of the summer, several of our teachers and staff members were involved in some type of professional development for individual growth and improvement. A group of teachers were able to attend a week long teacher's conference in Greenville, SC, and were able to attend several seminars. Another staff member was able to spend a week receiving technological training in Atlanta, GA. Others teachers took online graduate level courses online or received specific training in teaching from a biblical worldview.

Thank you teachers for your commitment to professionalism during the summer break!

ANNUAL PAPERWORK

Please complete and submit the annual forms that were emailed for your child(ren) for this coming school year. After it has been filled out and signed by both parents it will get sent back to the office. This paperwork will need to be submitted before the first day of school. Please let the office know if you need assistance.
