We are honored that you would consider Calvary Baptist Academy for your child's educational experience. We understand how difficult choosing the right school for your child can be. Considering this, we want you to be able to make an informed decision regarding Calvary Baptist Academy.

Once the Student Application is received, we will contact you to set up an interview and tour with an administrator. The interview process and tour of our facilities typically takes about one hour. It is during this process that we hope you ask many questions pertaining to CBA as we get more acquainted with you and your family.

We look forward to potentially partnering with Christian families in the education of their children.
