CHAPEL SERVICE

CBA is blessed to be able to hold chapel services every Monday morning for our K-5th grade students and every Wednesday for our 6-12th grade students. Our elementary students are learning from the life of Amy Carmichael. This past Wednesday, Mr. Spencer got the chance to speak to our MS/HS students on, "Does Jesus love you?" The answer is simply, yes! But to deeply believe and cherish that fact is comforting and priceless. "While we were yet sinners, Christ died for us."

Teacher Appreciation

National Teacher Appreciation Week is May 6-10. We would like to honor our teachers and staff at CBA during this special week. As parents, this is our opportunity to say "Thank You" to our incredible group of teachers. We are trying something new this year and have formed a team of parents to help plan activities for the week. We realize it is early in the year, however, planning takes time and money. This is where we need your help. Please consider contributing a monetary donation so we can make this a successful event. We need to know how much money we have to work with before plans can be made. If you would like to make a donation, place your money in an envelope and turn it into the school office. Please write, "Teachers Appreciation Week" on each envelope. All donations will be accepted through March 28th (which is right before spring break). Once the money is collected, we will finalize our activities for the week. We will then post in the newsletter the details planned for the week and how your child(ren) can be involved. If you or a business that you are associated with would be interested in making a monetary donation and/or providing services or goods during this week, please contact us. Thank you so much for your time and effort in making this a special time for our teachers. If you have any questions, please feel free to contact Susan Caldwell at (574) 274-4184.

Volunteer Needed

CBA is looking for a volunteer to help coach track for this upcoming spring. If you are interested, please contact our AD Brandon Smith for more details and information.

MS Baseball

CBA is looking to start a MS Boys Baseball team for the upcoming spring season. This is open for boys in Grades 5—8. Mr. Josh Harner has volunteered to coach and get this program started here at CBA. There is a sign-up sheet on the bulletin board next to the school office for those who are interested.

STUDENT OF THE WEEK

John Morris
2nd grade

John Morris has been awarded CBA's Student of the Week. John is a student in the 2nd grade who has been excelling and improving as a student during the current school year. He daily demonstrates a joyful spirit. He always has a smile on his face and goes above and beyond to show kindness and respect to his teachers and classmates. Most importantly, John loves the Lord and has shown courage in trusting Him just like Deut. 31:6 tells us.

John would like his entire class to have an extra 10 minute recess one day during the week after returning from Winter Break. Congratulations John and in honor of being Student of the Week his class will have some extra recess!

6TH GRADE SCIENCE COMPETITION

The quiz bowl portion of the annual YBTC Competition was held on Friday, February 9th, at West Virginia State University. Once again, CBA was the only Christian School represented at the regional chemistry competition, and one of the few that had 6th graders competing. Both 6th grade CBA teams represented well, as they placed 5th and 6th overall!

YBTC is comprised of both a quiz bowl component and a video component to determine the state champion, so both CBA teams are in a good position to bring home the YBTC plaque once again. Well done Patriots!

MS GIRLS WVCAT

Our MS girls basketball team fought hard in the WVCAT and came in 6th place. We want to say congratulations to Lorelei Cregut in 7th grade who was named to the WVCAT All-Tournament Team!
