Teacher Appreciation

National Teacher Appreciation Week is May 6-10. We would like to honor our teachers and staff at CBA during this special week. As parents, this is our opportunity to say "Thank You" to our incredible group of teachers. We are trying something new this year and have formed a team of parents to help plan activities for the week. We realize it is early in the year, however, planning takes time and money. This is where we need your help. Please consider contributing a monetary donation so we can make this a successful event. We need to know how much money we have to work with before plans can be made. If you would like to make a donation, place your money in an envelope and turn it into the school office. Please write, "Teachers Appreciation Week" on each envelope. All donations will be accepted through March 28th (which is right before spring break). Once the money is collected, we will finalize our activities for the week. We will then post in the newsletter the details planned for the week and how your child(ren) can be involved. If you or a business that you are associated with would be interested in making a monetary donation and/or providing services or goods during this week, please contact us. Thank you so much for your time and effort in making this a special time for our teachers. If you have any questions, please feel free to contact Susan Caldwell at (574) 274-4184.

STUDENT OF THE WEEK

Anna Caldwell

9th grade

Anna Caldwell is CBA's Student of the Week. Anna is an excellent and motivated student in the classroom with a 4.0 GPA, and she is participating in the college early enrollment courses receiving college credit as a freshman.

Anna also played on the HS girls volleyball team this past fall season at CBA.

Anna has chosen to have the privilege of jeans and a Starbuck's drink for one day next week! Congratulations Anna on being Student of the Week!

Air Analytical Report

At the end of February, CBA had four different locations tested for the air quality here at the school. The results from the testing analysis have been received with no abnormal results or concerning levels of molds, fungi, spores, or mycotoxins.

Strawberries

The strawberries from the recent fundraiser will be delivered to the school on March 15th at 3:30pm. Parents and students will need to pick those up at the end of the school day from the Patriot Center. We will not be able to store these perishable items.

Hiking Club

CBA will be starting a new club for students in Grades 6 - 12. During the warmer weeks of April and May, students will have the opportunity to go on a 1.5 - 2hr. hike at the Meeks Mountain Trails directly behind CBA. This will help promote physical activity while enjoying the outdoors. If you would be interested in being a volunteer to help with the hikes, please contact Mr. Spencer.
