Summer Paperwork Initiative

Our annual paperwork, that we ask everyone to fill out over the summer, will be getting sent out the first week of June. This year we are asking that families complete this paperwork as early as possible to help out our office staff as we will need ample time to get all paperwork into our system. If you complete this paperwork before July your name will be put into a drawing for a cash prize! This paperwork will come as an email from Adobe Sign and will be sent to parent 1 to fill out and sign and once its submitted it will go to parent 2 to sign the final page. If you have any questions about this please feel free to email Mrs. Ball (kball@cbawv.org).

Registration Fee

The full registration fee of \$250 per student was due on June 15th. The registration fee covers textbooks, testing materials, and other curriculum purchases during the spring months for the upcoming school year. Please drop payments in the school mailbox (3655) near the front parking lot of the school or drop off in the office. If you have any questions, please reach out to the school office via phone or email. The office staff will be returning to the office on June 16th for regularly scheduled summer hours.

Meet Our New Kindergarten Staff for the 2025-2026 School Year

Hello CBA Families!

My name is Mary Beth Witkowski, and I will be the new kindergarten teacher for the upcoming school year. I am redeemed by grace and am building a life on Jesus Christ.

My husband, Jason, and I are building a 67-acre farm from the ground up, complete with a house, barn, livestock, and crops. Our latest adventure - five piglets! We have four grown children and four sweet grandchildren who bring us endless joy. We are active members at Redeemer Church in Hurricane, where I serve in the 3-4 year old children's church class.

I graduated with a B.S. in Elementary Education and am fully certified by the WVDE with endorsements in K-6 Elementary, Autism K-6, PreK-K Early Childhood Education, Multi-Categorical Special Education K-6, English as a Second Language, and Preschool Special Needs. I've taught special education and kindergarten for about five years now. God has called me to teach; serving Him is my joy and honor.

I'm excited to partner with parents to raise strong readers, joyful learners, and children who love the Lord. It is a privilege to help lay a foundation for a joyful and purpose-filled life.

Hello CBA Families!

My name is Kayla O'Brien, and I am thrilled to begin my role as the Kindergarten Aide at CBA this fall. I am happily married to my wonderful husband, Colton, and we have a beautiful 5-year-old daughter, Apphia. By the end of this summer, I will have earned an associate's degree in early childhood education and will continue working toward a bachelor's degree starting in August. In previous years, I had the privilege of working at a therapy clinic for children with disabilities, where I managed WV Birth to Three billing and maintained treatment plans. After becoming a mother, I transitioned to working at an early education center, where I discovered my passion for teaching. I am committed in serving in ministry alongside my husband, who has served as Pastor for the past two years at Bethel Baptist Church in Hurricane, WV. We have seen God's blessings in countless ways and are deeply thankful for any opportunity to serve Him. I am truly grateful for the opportunity to serve at CBA and am eager to contribute to a nurturing and Christ-centered learning environment. My hope and prayer is that I may reflect God's love and forgiveness through the guidance, support, and encouragement I offer to each student in my care! Go Patriots!
